

## 2025 Show and Contest, brought to you by the **Tulsa Modelers' Forum** and **Tulsa Miniature Motorworks**

**Theme: Nato vs. Eastern Bloc.** Cold war era subjects – time period is post-WWII to the fall of the Berlin wall in 1989.

The registration instructions are on the Contest Entry Form, and this year there is **online pre-registration available!** See instructions on the next page or on the contest page of our website.

**New for 2025:** To enhance our philosophy of the show being a celebration of modeling and modelers, we are reorganizing the show layout into a “modelers exhibition” format. Each modeler will layout their entries in a single location along with a name card. The modeler will select up to four entries to be judged for the GSB criteria and Master awards, and all of their entries will be considered for the Special and Club awards by class and subject. We hope that knowing who the modeler is will encourage more conversations! Find the fellow modelers that you want to ask about their technique or applaud their work. Name tags will be provided to facilitate finding who you're looking for.

**2025 Additional Special Awards (See Class and Awards download for full list of awards):**  
Outstanding WWII Axis Aircraft and Outstanding Non-Tracked Military Vehicle

Please feel free to download the **Judging Criteria** we use (see the Contest Page on our site).

**[www.route66modelexpo.com](http://www.route66modelexpo.com)**

### Schedule for the event:

- **8:00:** Doors open for **vendors** (earlier if we can get set up).
- **9:00:** Doors open to the **public** and for **modeler registration**
- **10:30 – 2:30: Raffle**
- **11:00:** Registration **closes** and **Judging begins.**
- **3:00: Award ceremony** (or as close as possible!)

GSB Challenge Coins

Our goal is to encourage as many modelers to participate as possible, to celebrate your work, and to spend an enjoyable day together among fellow hobbyists. To that end, if you see any room for improvement, please feel free to find anyone in a Tulsa Modelers' Forum shirt and share your idea, or use the feedback form you'll be handed by the Cashier. You can also contact me directly at **greg.kittinger@gmail.com**, or call or text me at **918-260-8349**

# Preregistration Available!

## Pay your entry fee and head straight to the tables!

Here's how it works:

1. After March 1<sup>st</sup>, go to [www.route66modelexpo.com](http://www.route66modelexpo.com). You'll see a Pre-registration button which will take you to the online forms. Follow the instructions for completing registration for **up to four (4) Evaluated entries** and **up to twenty (20) Display entries** (Note: Display entries also qualify for Special and Club Awards).
2. **Preregistered:** When you show up at the **Cashiers** table, tell the Cashier you have preregistered. Your fee will be collected and your forms handed to you. You may then proceed to the display tables. Look for an usher to direct you where to set up your display.
3. **NOT Preregistered:**
  1. If you have already filled out PDF forms, pay the cashier and receive the PAID stamp to the Contest Entry Form. Then bring the Contest Entry Form and your Model Entry forms to the Registrar's table.
  2. If you have not pre-filled your forms, proceed to the forms tables to complete your forms, THEN pay the cashier and secure the PAID stamp, then to the Registrar's table.
4. You may then take your forms and models directly to the tables. Look for an usher to direct you to where to set up your display – all of your models will be displayed together.

## NOTES:

- Please consider preregistering! It will save us (and you) time and allow us to begin judging sooner.
- We are NOT offering a method of pre-payment, only preregistration!
- If you desire to ADD an additional model to your registrations since you preregistered, inform the **Cashier**, and you'll then need to take the entry forms for any additional entries to the **Registrar** so they can be added to the database and assign entry numbers.
- **WE WILL ATTEMPT TO SEND A CONFIRMATION EMAIL ONCE YOU HAVE PRE-REGISTERED.** If you don't receive this email, you can email Casey at [caseyg@tulsaipms.com](mailto:caseyg@tulsaipms.com) to ask if your registration was indeed received.
- You may also use the online-fillable PDF entry forms downloaded from the website to complete registration. If you do so, you will need to take the complete set of forms to the registrar's table after paying the cashier, and it will take more time to organize your forms before you can head to the display tables.
- **PLEASE wear your nametag!** We want folks who want to discuss your work to be able to find you!
